Dear Parents/Guardians

**Spirituality of Nano Nagle**

Nano was about life - a life force that took her deeper into life - her own life, God’s life, the lives of others, the life of the cosmos.

Nano was attentive to:

- The needs of the people - for education, for faith
- The practical everyday necessities of keeping her schools functioning the call of God’s spirit in the ordinary everyday realities of her life. She did not look for extraordinary signs and wonders to make her way to God;
- God in the daily relationships, commitments and activities of daily life and discerned God’s presence there.

Nano’s spirituality was transformative.

The lantern has become the symbol of the transformative nature of the Spirit at work in the life of Nano Nagle and her followers. It symbolises light in the darkness of fear, ignorance and despair; hope in the face of overpowering injustice and oppression; and the power of even small acts of human kindness against the tide of poverty and neglect.

**Spirituality is about life**

**Spirituality is about being attentive**

**Spirituality is Transformational**

Susan McGann and myself were fortunate to have the opportunity to attend a Presentation Nagle Alliance Conference in Melbourne in April. The main theme of the conference was Nano Nagle and her Heart Spirituality, which includes the attempt to do the ordinary things of life extraordinarily well and experience the mystery of life and everyday business of living through the eyes of God.

Something to think about – *What can we do as a school community to be attentive to others and transformative?*

**Jump Rope for Heart:**
The launch for Jump Rope for Heart this year was this week and we will have a skipping demonstration from Waimea Heights Primary School from their Jump Rope for Heart team on Monday 15 June at 9:00am. All students from Kindergarten to Grade 6 have taken their sponsor forms home, which can be completed on the sheet and online. The Corpus Christi jump off day will be on Tuesday 30 June. Participating in the Jump Rope for Heart Program is a great way for our students to help others whilst having fun and exercising.

**Walk with Christ.**

_**Feast of Corpus Christi, Sunday 7th of June,**_

_Commemring from St Joseph’s Church (Hobart) at 1.15 pm, processing to St Mary’s Cathedral, where our prayer intentions will be presented and our veneration concludes. (3pm)_

_Experience our rich Catholic heritage, as we join in solidarity with Catholics from all over the world, and through the ages, in this Walk with Christ._

_Can’t join us in person? Prayer intentions can be added to the ‘Book of Life’ distributed to your school and in the keeping of the Principal and Religion and Faith Life Team at your College or School. The book is in the school office for anyone to write their intentions._

_The Walk with Christ is now in its 10th year in Sydney and last year 6000 people turned out in a sense of prayerful solidarity to bring Christ to the world._

**Grades 3-6 Assembly – Monday mornings:**
Grades 3-6 students commence their week on a Monday morning by coming together in the Amphitheatre to commence the week with a prayer, share sport reports, and receive any messages from staff pertaining to what is happening during the week.

As the days are becoming cooler, it would be a good idea for the children to bring a cushion from home to sit on during the time of the assembly. If it is raining in the morning, an assembly is not held that week.

The children may wear their warmer uniform with boys wearing their trousers and jumper and the girls wearing either their skirt with black tights or trousers with black tights and their jumper or cardigan. The red polar fleece is an extra uniform item, which is to be worn only to and from school.

**Nominations for the Corpus Christi Catholic School Board:**
As a result of vacancies, the School Board is seeking nominations from the school community for positions on the School Board. Initial appointments for new members are for three (3) years with the option to continue after the first period of appointment. Information regarding the role and structure of the Board is available from the school office.

For further information, Cheryl O’Rourke has emailed a letter to all families with regards to the vacancies.

**Building works in Prep and Grade 1 – Term 4:**
There will be some building work happening in Prep and Grade 1 classrooms most likely during term 4. As yet, there is nothing set in concrete, however the hall will most likely be where some of the Prep and Grade 1 classes will be relocated for the duration of the building works. We will need to be thinking about assemblies, discos, the Fair and Nativity play to name a few events.

As soon as we have further information, it will be passed on to the school community so you are aware of what is happening.

**PLEASE NOTE:** The next Newsletter will be Thursday 4 June.

**Fees & Levies**

Outstanding Fees and Levies are currently being followed up. Unless an alternative arrangement has been agreed upon as at 29 May 2015, at least 3 monthly payments should have been received. If you would like to check the status of your account, please contact either Leonie Parker by email leonie.parker@catholic.tas.edu.au or Karen Pollard karen.pollard@catholic.tas.edu.au or by phone at the School Office. Please be assured that all discussions remain strictly confidential.
Recently in Prep the children have been learning about Mary the Mother of Jesus. The children have been looking at the special qualities that Mary had and the similarities between Mary and our Mothers.

They have enjoyed sharing stories about their Mums, listening to stories about Mary, drawing Mary caring for Jesus, comparing Mary to their Mothers and making Mother’s Day presents for their Mums.

We hope all of our lovely Mothers had a great Mother’s Day.

My Mum is special because she gives me nice cuddles and she takes care of me.
Elliott Davies

My Mum is special because she washes my clothes and she cooks me tea.
Joseph Bricknell

My Mum is special because she takes me to soccer training and she plays with me.
Rose Kenna

My Mum is special because she washes my clothes and she cooks me tea.
Olive Frey

My Mum is special because she takes me to the beach every day.
Kennedy Williams

My Mum is special because she makes great quiches.
Phoenix Bain
Congratulations to the following students who have attained reward status.

**School News**

**‘H E L P   N E P A L’ Sausage Sizzle**

Wow – what a response! On Thursday 7 May we cooked over 460 sausages for the school community. Thank you to everyone who ordered, helped cook and especially the Mini Vinnies Committee members in Grade Six who helped with general organisation and delivery of items. Great work team! We raised a mammoth total profit of $913 that has already been sent off to the Help Nepal appeal. Thanks again!

Susan McGann

**During the week starting Monday 25 May, Corpus Christi will be participating in Cyber Awareness Week. All grades will participate with lessons appropriate to their age group. As parents, we encourage you to start a discussion with your child about internet safety.**

- What are your favourite things to do online?
- What is personal information? Why should you keep it private?
- What could you do to be safer online?
- What would you do if anyone online asked to meet you face-to-face?
- Besides me, who do you feel that you can talk to if you are in a scary or uncomfortable situation?

When you think about your children’s online activities, do you consider their mobile phones? They have evolved from simple communication devices to mobile, miniature computers. For example, smartphones have operating systems similar to that of computers which allow users to download programs or “apps.” These apps help users do things like access e-mail and play games. Also, most mobile phones allow users to download and upload content from the Internet just as they would on a computer. However, mobile phones can be more difficult to monitor than a computer, and children often use them without adult supervision. Make sure to review your family’s Internet safety rules with your children and become aware of the risks before allowing them to own mobile phones.

---

**Bignell Street**

There are periods of time during the morning drop-off and afternoon pick-up in Bignell Street, where the traffic can become congested in Ormond and Bignell Streets. There have been concerns of late that there has been too much congestion.

To help the flow of the traffic, Corpus Christi Catholic School along with Tasmania Police, recommend the following:

When dropping off or collecting children from Bignell Street, traffic is to go up Ormond Street (do not turn right into Bignell Street), around the roundabout and back down to enter Bignell Street. In doing this, the traffic flow is much smoother and makes for ease of traffic movement. Please drive to the end of the circle before stopping to let children in or out to keep the flow of cars moving.

---

**Walk Safely to School Day**

Tomorrow, Friday 22 May is Walk Safely to School Day. For those with allergies, the walk to school breakfast will include egg & bacon rolls. There will be other choices available.

---

Over the past few years, staff at Corpus Christi have donated over $1,000.00 to the Cancer Council and this May we are doing it again. Cancer has affected so many members of our school community and we believe it is a valuable cause to support.

If there are any parents who would like to also donate to the Cancer Council, there is a donation box on the counter of the school office. All contributions are gratefully accepted and will be sent to the Cancer Council at the end of May. Thanks in advance for your support.
During our library lessons our students celebrated Mother's Day by reading picture books, making posters and flowers, and retelling stories and wonderful memories about their mums and families. Our library was visited by Adrian Beck the author of the Kick it to Nick books. Adrian is a very successful past student of our Corpus Christi School and we were very proud to have him visit. Our students really enjoyed this wonderful opportunity to meet him.
The next meeting of the P&F will be held on Monday, 25 May at 7:00pm in the Library. All are welcome to attend.

**Beanie Day – Friday 29 May**
A few weeks ago we heard of a quiz night that was being organised to raise funds for a family at St Cuthbert’s. The Harris family have 3 boys and their eldest was diagnosed with a brain tumour in 2012. In the last 3 years Alexander’s condition has not improved and the family recently met with renowned surgeon, Dr Teo in Sydney. Dr Teo has said he can operate and while this is a chance any family would want to take for their child, unfortunately the costs involved are more than what the family can easily afford.

As a neighbouring school we wanted to provide our families the chance to show support to the Harris family. Beanies are currently being recognised as a symbol for Brain Cancer Awareness and so on Friday, 29 May children can wear a beanie to school and the P&F will go to classes and collect donations that we will combine and forward to the family as a gesture from our school community.

**Chocolates**
A form went home yesterday to complete regarding our chocolate fundraiser. Last year many families indicated they would prefer to donate the profit of the box rather than sell the chocolates. Please indicate on the form if you would prefer this option.

We appreciate P&F fundraising has been busy so far this year and the option to not receive a box is also available. Please return the form with your preferred option indicated or by emailing the P&F by tomorrow (Friday).

**School Photos**
Thank you to Jane Kirk, Meg Kitchen, Kimbra Hallsworth, Sandra Heaton and Sandra Hallsworth for helping co-ordinate the school photos.

**Thermomix Raffle**
Thanks to everyone who bought tickets – sadly there could only be one winner. Congratulations to Jane Kirk who was very happy to finally win something in a raffle!

** Mothers Day Stall**
We have become aware that there were some problems with the clocks. We have organised to have any repaired that had issues with the hands detaching.

Please email the P&F and we will make arrangements to have them repaired and returned as quickly as possible.

** Ladies Night Out**
Thank you to everyone who supported our Ladies Night. It was a fantastic night and special thanks to everyone who helped out on the night. With so many people offering to help we were able to have small shifts and allow everyone to go and have a look around.

Thanks again to Paul’s Bodyworks for donating towards the catering. Thanks also to The Wicked Cheese Company and Black Cow Hill Vineyard for donating produce for the evening. Thank you to Omorphia Aesthetic Boutique, who did a wonderful job providing free skin analysis. Thank you to Lily and Charlie, Baby and You, Oceana Health & Fitness, Jazzercise and Amcal Bellerive, who donated prizes for the night.

Finally, a thank you to the following businesses that provided stalls on the evening:

- Arbonne
- Body Shop
- Close to my Heart
- Createa Direct / Mishi bags
- Enjo
- Envy Jewellery
- Lorraine Lea Linen
- Mary Kay
- Norwex
- Nutrimetics
- Thermomix
- Entertainment books
- Lucy Ward Design
- Pidgeon Pairs
- Little Maya
- Milbee
- Parklane Jewellery
- Partylite
- Phoenix
- Scentsy
- Omorphia
- Millie Moo Bows
- Kasper's Treasures
- Betty Joy Designs
- Rosabella Designs
- CaroBe
- Flourish
- Kylie Berry
- Blossom Town
- Tupperware

Found at the Ladies night was a Ladies Black Jacket. Contact: p&f.ccs@catholic.tas.edu.au
If you work or volunteer with children within Catholic Education Tasmania (CET) you are required by law to register for a background check, called Working with Vulnerable People Registration, by October 1, 2015. The registration aims to significantly improve safeguards to help keep children safe from harm.

More information is available on our website via the following link:

To apply directly please go to: www.justice.tas.gov.au/working_with_children
